William Shakespeare

William Shakespeare was born in Stratford on April 26th, 1564. His father, John Shakespeare, was an important man in the town- William didn't come from a poor family.

When he was eighteen, William married Anne Hathway in Stratford but he didn't want to stay there. He wanted to be actor and the best theatres were in London . So, in 1587 William went to London, where he worked as an actor in a theatre called The Rose

He began to write plays for the actors . He wrote Romeo and Juliet, Julius Caesar, Richard 11, Antony and Cleopatra and many more . Everyone liked his plays and he became famous.

When James 1 became King in 1603, Shakespeare worked for him, and performed his plays for the King and his friends. He also worked at the famous Globe Theatre. This play was his last play, Henry V111. There was a gun in this play, and the fire from the gun burned the theatre down.

In 1610, Shakespeare went back to Stratford . He wanted to live there with his family, but he died on April 23rd 1616. He was only fifty two years old.
